

Dear Friend of the West Palm Beach Coyotes,

The West Palm Beach Coyotes, formerly the Palm Beach Coyotes, is a local women's full-contact tackle football team. Last season the Coyotes were undefeated and went on to win the championship game in South Dakota. The Coyotes came out of their rookie season as the 2021 Women's Tackle Football League Champions.

We are excited about our second season and plan to defend our championship title! We are in need of support and sponsorship to fund our season (equipment, uniforms, game fields, referees, travel, and lodging). As such, we are offering multiple marketing opportunities throughout the 2022 season and hope you can help by contributing. All donations go directly to the team and its operating costs.

With your help, we are giving women in Palm Beach County and surrounding areas a chance at pursuing their athleticism on the football field. In partnering with our community, we are helping to build confidence, leadership skills, and self-esteem through football.

We hope you will give the women of The West Palm Beach Coyotes the help they need for a successful 2022 season. Thank you for your support!

Best regards,

**PAUL GONSALVES (CO-OWNER)
BECCA HARGREAVES (CO-OWNER)
ISAIAH SANTAELLA (CO-OWNER)**
