

# The West palm beach Coyotes WFA champions!

Dear friend of the West Palm Beach Coyotes:

## About our team:

The West Palm Beach Coyotes, a 501(c)(3) competitive full-contact semi-pro women's football team, are on a mission to claim the championship! Originating in the WTFL (women's tackle football league) in 2021, we proudly held the title of undefeated league champions until our departure in 2022. Transitioning to the WFA (women's football alliance) as a D3 team in 2023, our winning legacy continued. This marked a noteworthy milestone for the team, offering a vital opportunity for our athletes to showcase their skills and capabilities!

## The community:

Based in West Palm Beach, our team aims to create an engaging platform for supporting players and fostering community unity. Our mission is to encourage athletes of all ages to join our growing community, providing them with the opportunity to pursue their goals and face challenges head-on.

## How you can help us:

The Coyotes, a nonprofit team, is eager for the opportunity to secure our fourth consecutive season championship title. With three prior championships under our belt, we're maintaining our momentum. Your support is crucial for acquiring essential tools to enhance the team's chances of defending our title. We require resources such as equipment, uniforms, referees, travel accommodations, lodging, and field space. The financial responsibility for these necessities falls on the team. We face a significant cost, especially with six regular-season games, three of which involve travel. Our ultimate goal is to return to Canton, Ohio, where the championship will unfold on the prestigious NFL Pro Hall of Fame football field. Your assistance would mean a lot to our pursuit of excellence.

## Becoming part of our team:

Explore the following page for a variety of ways to express your support as we reciprocate with ours! Each package is crafted to illustrate the importance of teamwork in mutual support. Take a moment to consider these options, allowing our team to back your business growth, while you, in turn, provide us with the opportunity to compete at our best!
